

#FlagshipPond Photo Competition Restricted Species in Focus

Can you capture the beauty, character, struggle or biological wonder of the plants and animals we are focussing on in the Flagship Pond and PondNet projects?

Pillwort	Brown Galingale
One Grooved Diving Beetle	Starfruit
Lesser Silver Water Beetle	Opposite-leaved Pondweed
Oxbow Diving Beetle	Water Violet
Fairy Shrimp	Coral-Necklace
Tadpole Shrimp	Floating Water-plantain
Medicinal Leech	Grass-poly
Pond Mud Snail	Pennyroyal
Pondweed Leafhopper	Tubular Water-dropwort
Baltic Stonewort	Small Fleabane
Strawberry Stonewort	Adder's-tongue Spearwort
Lesser bearded Stonewort	Three-lobed Water-crowfoot
Bearded Stonewort	Greater Water Parsnip
Tassel Stonewort	Marsh Stitchwort
Lesser Water-plantain	Bladderworts
Yellow Centaury	Frogbit

You can enter photos of these plants and animals into the Flagship Pond Photo Competition up until it closes on 31st October 2017. Find the competition rules, entry form, and information about Flagship Ponds and PondNet on our website: www.freshwaterhabitats.org.uk.

Please note: some of these species are protected by legislation against disturbance. We won't accept photos of these protected species unless it is clear the species wasn't disturbed, or you have a licence that allows you to photograph them. We may ask to see a copy of the licence. Find out more about the legislation in [England](#) and [Wales](#).
